

# THE BUFFALO COLLECTION AT SCENIC MESA

## Dixon Fur Bench

48" WIDE, 21" DEEP, 18" TALL

This bench is perfect for the foot of the bed or inside the front door. Covered with a sheared buffalo robe (we've left the mane for a touch of sophistication), it is decorated with bits, antique belting, and buckles over suede brown buffalo leather on the sides. Soft as cashmere, this thick fur is a delight to touch.
