The Buffalo Collection

Legacy Chair and Ottoman

CHAIR: 35" wide, 41" deep, 32" tall

OTTOMAN: 30" wide, 23" deep, 19" tall

The Legacy chair is a classic beauty and a favorite with both men and women. The proportions are right; the touch of buffalo leather is luxurious, and the down-filled cushions win the day for comfort. The matching ottoman turns the chair into a wonderful spot for relaxing and philosophizing.
