The Buffalo Collection

Sante Fe Bag

LARGE: 16" wide, 5" deep, 16" tall

MEDIUM: 12" wide, 4" deep, 12" tall

This bag in saddle tan has a pronounced natural grain to the buffalo leather. Lined with deerskin, it has pockets for phone and sundries. A curve on the back side means it hugs your side as it hangs from your shoulder. This is a bag that no one else has, that you will love, and that will last forever – just like the buffalo.
